Cabin Height – 1.73m

Cabin Width – 1.71m

AN EXECUTIVE BOARDROOM IN THE SKY

A high-performance, mid-size business jet, the Cessna Citation Sovereign is ideal for transcontinental travel.

Boasting the largest external baggage compartment in its class, the Sovereign has a fully stand-up cabin and lots of room to accommodate up to nine passengers. With its short take-off capability and incredible performance this aircraft merges superior overall performance.
