Extraordinary Experiences Every Day

Our vision is to build a network of unique experiences that amaze our guests and enable them to see New Zealand their way.

Our mission is to build safe, world-class, sustainable experiences delivered through a seamless personalised experience. This hunger for excellence is reflected in our Qualmark Gold certification.

“As an operator, we’re concerned about climate change so chose to commit to going CarbonZero. It’s our responsibility to minimize our impact as much as possible to ensure that our sensitive environments are protected for future generations to come.”

We are proud to be New Zealand’s only nationwide CarbonZero Aviation Operator.

INFLITE Group is committed to reducing our impact on the environment and making our business and those we partner with, more sustainable. As we grow and develop, we’re committed to making a difference to our business, and to the communities within which we operate.

OUR BRANDS

INFLITE Charters set an exemplary standard for private and corporate charter flight solutions. At INFLITE we are all about the detail. Every aspect is meticulously tailored to meet the customer's requirements. This personalised service sets us apart.
